INDEPENDENT AUDITOR'S REPORT

Board of Directors
Animal Care and Control of New York City, Inc.
DBA Animal Care Centers of NYC and Affiliate
New York, New York

Opinion

We have audited the accompanying consolidated financial statements of Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC (a nonprofit organization) and Affiliate (a limited liability company), which comprise the statement of consolidated financial position as of June 30, 2022, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate's ability to continue as a going concern within one year after the date the consolidated financials are available to be issued.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Animal Care and Control of New York City, Inc. DBA Animal Care Centers of NYC and Affiliate's June 30, 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 18, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1 - NATURE AND PURPOSE OF ORGANIZATION

Founded in 1995, Animal Care and Control of New York City, Inc., DBA Animal Care Centers of NYC ("ACC"), is a non-profit organization with a mission to end animal homelessness in New York City. ACC is a model of a public/private partnership and receives support from the private sector to complement the services it provides pursuant to its 34-year contract with the City of New York and the NYC Department of Health and Mental Hygiene. Under this contract, ACC provides animal related services to over 9 million residents within the five boroughs of New York City. ACC's services to the community include pet adoption, animal rescue, veterinary care including spay/neuter, lost and found pet assistance and surrender prevention programs. With full-service care centers in Brooklyn, Manhattan and Staten Island ACC provides shelter and care for over 20,000 animals every year, and thousands of additional animals throughout the city as part of our community outreach programs. By 2025, ACC will also open two new, state of the art animal care centers in the boroughs of Queens and the Bronx. ACC believes that community engagement and collaboration are the key to solving animal homelessness. Through a network of hundreds of animal rescue partners, volunteers, animal fosters, support from local and national businesses and foundations, and a robust community outreach program (including wellness clinics, humane education, pet food pantries and free vaccine clinics), ACC is regarded as a national leader in animal welfare. ACC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

The contract for services with the city of New York is ACC's primary source of funding for staff salaries or other administrative expenses associated with contract services. Under this public/private funding approach, ACC uses donor contributions primarily for programs and services that are not funded by the city contract in an effort to enhance animal care and further ACC's mission to end animal homelessness in NYC.

1906 Flushing LLC ("1906 Flushing") is a limited liability company that owns property in Queens, New York. In 2019, property development for a full service care center in Queens began at the site situated at 1906 Flushing Avenue and construction of a state of the art animal care center is expected to be completed in 2023. Upon completion and appropriate approvals of the building, ACC will rent the full facility from 1906 Flushing LLC as outlined in the terms of the lease agreement between 1906 Flushing and ACC dated June 21, 2019.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Statement Presentation and Basis of Accounting

ACC's policy is to prepare its consolidated financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). Under this method, revenues are recognized in the period in which they are earned. Expenses are recognized in the period in which the related liability is incurred. The statements of financial position and of activities focus on the Organization as a whole and report total assets, liabilities, net assets and changes in net assets in accordance with the FASB ASC 958-205, *Financial Statements of Not-for-Profit Organizations*.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of ACC, and its wholly owned subsidiary, 1906 Flushing. Collectively, the aforementioned are referred to as the "Organization" hereafter. All significant intercompany transactions and balances have been eliminated in consolidation.

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingencies at the date of the consolidated financial statements and revenues and expenses recognized during the reporting period. Significant estimates made in the preparation of the consolidated financial statements include the net realizable value of contributions and grants receivable, donated use of facilities, accrued expenses, prepaid expenses and functional expense allocations. Actual results could differ from those estimates.

Financial Instruments

The Organization's financial instruments are cash and cash equivalents, municipal bonds, stock and contributions receivable. The recorded values of cash and cash equivalents and contributions receivable approximate fair values based on their short-term nature.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less and time deposit accounts with no withdrawal restrictions other than loss of end of term interest to be cash equivalents. At June 30, 2022 and 2021, there was \$27,503,322 and \$41,588,194, respectively, in restricted cash for the property development of the new Queens Full Service Shelter.

Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until conditions are substantially met.

Allowance for Doubtful Accounts

Management determines whether an allowance for doubtful accounts should be provided for accounts receivable. Such estimates are based on management's assessment of the aged basis of its sources, current economic conditions, subsequent receipts and historical information. Accounts receivable are written off against the allowance for doubtful accounts when all reasonable collection efforts have been exhausted. At June 30, 2022 and 2021, management has determined no allowance for doubtful accounts to be necessary.

Medical Supplies, Medications and Products

Medical supplies, medications and products are purchased on an as needed basis and are expensed upon purchase. The dollar value of the supplies on hand at any given time is not material. It is the Organization's decision not to maintain inventory on its Consolidated Statements of Financial Position.

Property and Equipment

It is the Organization's policy to capitalize property and equipment over \$3,000; lesser amounts are expensed. Fixed assets are recorded at cost. Maintenance and repairs are charged to expenses as incurred; major betterments are capitalized. When items or property and equipment are sold or retired, the related cost and accumulated depreciation is removed from the accounts and any gain

Property and Equipment, Continued

or loss is included in the results of operations. Management reviews property and equipment for impairment when events or changes in circumstances indicate that the carrying amounts may not be recoverable. Property and equipment are written off to operations when considered impaired.

Depreciation is provided on the straight-line method over the estimated useful lives of the assets. Amortization of leasehold improvements is provided on the straight-line method over the remaining term of the lease or the useful life of the improvements, whichever is shorter.

Leasehold Improvements	39 years
Furniture and Fixtures	7 years
Machinery and Equipment	3 to 7 years
Vehicles	7 years
Software	3 to 5 years

Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as without donor restriction contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent of donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization releases net assets with donor restrictions to net assets without donor restrictions at that time.

Certain property and equipment used by the Organization is owned by New York City under a funding agreement. The Organization is responsible for acquiring items needed in order to run the facility; however, title will not pass to the Organization upon termination of the funding agreement. Therefore, most capital items are expensed within the year that the City funds the purchase.

Net Assets

Net assets of the Organization, and changes therein, are classified and reported as follows:

(1) Net Assets Without Donor Restrictions:

Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets are available for use at the discretion of the Board of Directors and management. The Board can designate a portion of these net assets for specific purposes, which makes them unavailable for use at management's discretion.

(2) Net Assets With Donor Restrictions:

Net assets subject to stipulations imposed by donors, and grantors. The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restriction and reported in the statements of activities as net assets released from restrictions. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity. As of June 30, 2022 and 2021, the Organization did not have any donor-restricted contributions that were perpetual in nature.

Measure of Operations

The consolidated statements of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing program services. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature. As of June 30, 2022 and 2021, the Organization did not have nonoperating activities.

Revenue Recognition

The Organization recognizes revenue from contributions in accordance with Accounting Standards Update ("ASU") 2018-08, Not-For-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. In accordance with ASU 2018-08, the Organization evaluates whether a transfer of assets is (1) an exchange transaction in which a resource provider is receiving commensurate value in return for the resources transferred or (2) a contribution. If the transfer of assets is determined to be an exchange transaction, the Organization records the transactions as allowable costs are incurred in accordance with ASC 958-605. If the transfer of assets is determined to be a contribution, the Organization evaluates whether the contribution is conditional based upon whether the agreement includes both (1) one or more barriers that must be overcome before the Organization is entitled to the assets transferred and promised and (2) a right of return of assets transferred or a right of release of a promisor's obligation to transfer assets.

The Organization recognizes contributions received and made, including unconditional promises to give, as revenue in the period received or made. Contributions received are reported as either revenues without donor restrictions or revenues with donor restrictions. Contributions with donor restrictions that are used for the purpose specified by the donor in the same year as the contribution is received are recognized as revenues with donor restrictions and are reclassified as net assets released from restrictions in the same year. Promises to give that stipulate conditions to be met before the contributions are made are not recorded until the conditions are met. For the years ended June 30, 2022 and 2021, contributions approximating \$0 and \$100,000, respectively, have not been recognized in the accompanying statement of activities because the conditions on which they depend had not yet been met. In the year ended June 30, 2021, the conditional contributions required the completion of various specified benchmarks. These conditions were met during the year ended June 30, 2022 and recorded to revenues accordingly.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require special skills, and are performed by people with those skills and would otherwise be purchased by the Organization.

A number of volunteers have made a contribution of their time to the Organization to perform a variety of tasks that assist the Organization at the shelter facilities and at fundraising events. The value of this contributed time is not reflected in these consolidated financial statements since it does not meet the criteria for recognition under Financial Accounting Standards Board (FASB) ASC 958. The Organization received approximately 6,500 and 15,000 volunteer hours for the fiscal year ending June 30, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Allocation of Expenses

The costs of providing program and other activities has been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

Advertising Costs

Advertising costs, including donated advertising, are generally charged to operations in the year incurred. For the years ended June 30, 2022 and 2021, total advertising costs were \$4,302 and \$8,011, respectively. Advertising costs are reflected in communications on the Consolidated Statement of Functional Expenses.

Loan Acquisition Costs

Loan acquisition costs are amortized on a straight-line method over the life of the underlying debt, which will begin when the asset is put in service.

Deferred Rent

The Organization records rent expense associated with its office lease on a straight-line basis over the life of the lease. The difference between the straight-line amount and the amount actually paid during the year is recorded as a liability and an expense in the accompanying consolidated financial statements.

Pensions and Benefits

The Organization provides a range of benefits to eligible employees, including pensions, 401(k) Savings, and Group Life and Welfare Benefits. The Organization records annual amounts relating to these plans based on calculations, which include various actuarial assumptions such as discount rates, expected rates of return on plan assets, compensation increases, and turnover rates.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. 1906 Flushing is a single member limited liability company that has elected to be treated as a disregarded entity. As such, 1906 Flushing is not subject to Federal and State income tax, but rather, its income or loss inures to the Organization.

The Organization is subject to routine audits by various federal, state and local taxing authorities; however, there are currently no audits for any tax periods in progress. The Organization believes it is no longer subject to income tax examinations for years prior to 2019.

The consolidated financial statements effect of a tax position taken or expected to be taken are recognized in the consolidated financial statements when it is more likely than not, based on the technical merits, that the position will be sustained upon examination. Interest and penalties, if any, are included in expenses in the Statement of Activities. Management does not believe its consolidated financial statements include any uncertain tax positions.

Reclassifications

It is the Organization's policy to reclassify, where appropriate, prior year financial statements to conform to the current year presentation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Comparative Information

The consolidated financial statements include certain 2021 comparative information. With respect to the consolidated statement of activities, such prior year information is not presented by net asset class and, in the consolidated statement of functional expenses, 2021 expenses by natural classification are presented in total rather than by functional category. Accordingly, such information should be read in conjunction with the Organization's 2021 financial statements from which the summarized information was derived.

Marketable Securities

Marketable securities are reported at fair value. Unrealized and realized gains and losses are included in the statement of activities. Investment expenses are netted against investment income (loss) in the state of activities.

New Accounting Pronouncements

In February 2016, the FASB issued ASU 2016-02, Leases. This ASU will require lessees to recognize almost all leases on the statement of financial position as a right-of-use asset and a lease liability. For income statement purposes, the FASB retained a dual model, requiring leases to be classified as finance leases or operating leases. This update is effective for the fiscal year beginning January 1, 2022, with early adoption permitted. The Organization is currently assessing the effect that adoption of the new standard will have on its financial statements.

Construction in Progress

The costs incurred in association with constructing the new Queens Full Service Shelter are included in the consolidated statements of financial position as a non-current asset, Construction in Progress. Upon completion of the facility, and when the facility is operational and in service, these costs will be reclassified to the appropriate asset class and depreciated according to the asset's useful life.

NOTE 3 - CONCENTRATION OF CREDIT RISK

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and cash equivalents in financial institutions, which from time to time may exceed the Federal Depository Insurance Coverage limit. In assessing their risk, the Organization's policy is to maintain funds only with reputable financial institutions and management believes the risk of loss is minimal. At June 30, 2022 and 2021, cash and cash equivalents exceeding federally insured limits totaled approximately \$29,715,000 and \$43,110,000, respectively.

The Company maintains investment accounts with licensed brokers valued at \$255,224, plus \$17,405 in cash, as of June 30, 2022. The cash and the securities in the account are insured by the Securities Investor Protection Corporation ("SIPC") up to \$250,000 and \$500,000, respectively. The broker also carries excess SIPC insurance that insures the net equity of investor accounts. The coverage covers losses of cash or securities from customer accounts if the broker were to fail and be unable to meet its obligations to its customers. The coverage does not cover any losses from changes in the market value of investments. Although created by Congress, SIPC is not a government agency. It is a non-profit membership corporation, which receives its revenue from those brokers and dealers that are required by law to be SIPC members and from its own investments.

For the years ended June 30, 2022 and 2021, the contract with the City of New York accounted for more than 76% and 74%, respectively, of the Organization revenues.

**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 4 - COMMITMENTS AND CONTINGENCIES

The contract with the City of New York is subject to audit by the City (See Note 12).

Certain grants and contracts may be subject to audit by funding sources. Such audits may result in disallowance of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying consolidated financial statements. Accordingly, no amounts have been provided in the accompanying consolidated financial statements for such potential claims.

The Organization may be involved in legal actions arising in the ordinary course of its business. It is the opinion of management that such actions will be resolved without material effect on the Organization's financial position.

NOTE 5 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The Organization held no financial instruments that were valued using Level 3 measurements as of June 30, 2022 and 2021. The Levels 1 and 2 of fair value hierarchy are as follows:

Level 1 Inputs: Valuation based on quoted prices in active markets for identical assets or liabilities that a reporting entity has the ability to access at the measurement date, and where transactions occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 Inputs: Valuation based on inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, that is, markets in which there are few transactions, prices are not current, or prices vary substantially over time.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022.

Mutual Funds: Valued at the net asset value ("NAV") of shares held by the Company at year-end.

Common Stock, Exchange-Traded Funds, and U.S. Government Securities: Valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments

NOTE 7 - PROPERTY AND EQUIPMENT, NET (CONTINUED)

Depreciation and amortization expense for the years ended June 30, 2022 and 2021 was \$187,809 and \$191,512, respectively.

The cost of certain equipment and facilities, which are used by the Organization in connection with its Shelter Operations, are not reflected in the consolidated statements of financial position because the assets' titles remain with the City of New York.

Land, included in the above schedule, is the site for the new Queens Full Service Shelter. Costs associated with the building of the Queens Full Service Shelter are recorded in work in progress on the consolidated statement of financial position. Once the building is completed and operational, these costs will be reclassified to the appropriate asset class and depreciated according to the asset's useful life. As of June 30, 2022 and 2021, construction in progress totaled \$37,440,322 and \$23,172,758, respectively.

NOTE 8 - PROPERTY LOANS

On June 21, 2019, 1906 Flushing acquired property located in Queens, New York, which is being developed for the new Queens Full Service Shelter (the "Project"). On that same date, the following notes were executed:

<u>Lender</u>	<u>Loan Amount</u>	<u>Monthly Interest</u>	<u>Interest Rate</u>
Acquisition Loan	\$ 12,233,503	\$ 45,162	4.43%
Building Loan	33,882,687	125,084	4.43%

Total Property Loans	<u>\$ 75,000,000</u>	<u>\$ 276,875</u>	

Interest on all three loans are due monthly at a rate 4.43% until the completion of the project, which is anticipated to be in March 2023. At such time, the amortization start date, principal and interest of \$376,901 will be payable monthly. The interest rate of 4.43% is in effect throughout the life of the loan, and all three property loans mature July 15, 2052. The loans are secured by, among other things, (i) a Mortgage, Security Agreement, Assignment of Leases and Rents and Fixture Filing from Company for the benefit of Purchaser, creating a valid and perfected first mortgage lien on the Mortgaged Property, including, without limitation, the buildings, structures and improvements now or hereafter located thereon, and assigning Company's right, title and interest in and to the Lease therein described, (ii) an Assignment of Leases and Rents dated as of the date hereof from Company to Purchaser assigning Company's right, title and interest in and to the Lease and any other leases and rents, (iii) a lien on all funds held pursuant to the Cash Management Agreement and the Construction

Escrow Agreement, (iv) the Collateral Assignment of Contracts, and (v) the Surety Bond.

Aggregate maturities of long-term debt are summarized as follows:

As of June 30, 2022 and 2021, interest of \$10,050,564 and \$6,728,063 was capitalized to construction in progress.

NOTE 9 - ACCRUED EXPENSES AND CREDIT CARDS PAYABLE

Accrued expenses include audit fees and construction expenses. At June 30, 2022 and 2021, accrued expenses aggregated \$3,101,597 and \$3,430,769, respectively.

At June 30, 2022 and 2021, the Company had drawn down \$228,514 and \$119,272, respectively, on various open unsecured credit accounts.

NOTE 10 - LINE OF CREDIT

Pursuant to an agreement with their Financial Institution, the Organization may borrow up to \$3,000,000 under a renewable line of credit. The interest on such borrowings is payable monthly at an annual rate equal to the LIBOR rate plus 3.00%. The line is secured by substantially all of the Organization's assets. As of June 30, 2022 and 2021, the Organization had not drawn down on its available line of credit. This credit facility is due to mature in October 2023.

NOTE 11 - DONATIONS IN-KIND

The Organization receives donations in-kind from various individuals and organizations. These donations are comprised predominantly of services and supplies, such as food, blankets, leashes, and toys, used in shelter operations, legal and media. For the years ended June 30, 2022 and 2021, management estimated the value of these items received to be \$243,754 and \$85,025, respectively.

NOTE 12 - NEW YORK CITY FUNDING

The Organization has a cost reimbursement contract with the City of New York (the "City"), which runs through June 30, 2052, which engages the Organization to assist the City in carrying out its animal and care control responsibilities. The total maximum amount for all payments shall not exceed \$1,487,966,471 for the entire term of the agreement. Under the agreement, the Organization has a license to use and occupy three City owned buildings as animal care facilities: Manhattan Animal Care Facility, Brooklyn Animal Care Facility and Staten Island Animal Care Facility and two receiving centers: Queens Animal Receiving Facility and the Bronx Animal Receiving Center.

In addition, the City provided funds to allow the Organization to acquire land, build, develop and operate a new full service Queens Animal Care Center, financed and equipped as provided for under the agreement (See Note 13 - Property Loans). The City can terminate the contract with or without cause with no less than ten days from the date of notice personally delivered or fifteen days from the date of the notice via mail. Upon the opening of the new Queens Animal Care Center, the Organization will cease to utilize the Queens Animal Resource Center that is currently provided by the City of New York. For the years ended June 30, 2022 and 2021, the value of the donated use of facilities by the City on behalf of the Organization has been included in the Consolidated Statement of Activities in Donated Use of Facilities in the amounts of approximately

\$972,000 and \$1,178,000, respectively. To the extent funding is provided for in the agreement, the Organization is responsible for general repairs, insurance and maintenance of the premises.

Effective July 1, 2006, the City assumed responsibility for the payment of the Organization's utilities, for locations owned or leased by the City. Accordingly, for the years ended June 30, 2022 and 2021 the value of the utilities paid by the City on behalf of the Organization has been included in the accompanying consolidated financial statements in both Revenue from the City of New York and Occupancy Expense in the amounts of approximately \$326,000 and \$277,000, respectively.

At June 30, 2022 and 2021, the Organization was due from the City approximately \$3,271,000 and \$3,468,000, respectively. For the years ended June 30, 2022 and 2021, benefit plan contributions and expenses made on behalf of the Organization totaled approximately \$1,094,000 and \$1,433,000, respectively. In addition to the above, for the years ended June 30, 2022 and 2021, revenue recognized under the City contract was approximately \$17,909,000 and \$15,921,000, respectively. At June 30, 2022 and 2021, the Organization owes the City under the current contract approximately \$45,000 in interest for both years.

NOTE 13 - LEASE COMMITMENTS AND RENTAL EXPENSE

On November 1, 2020, the Organization re-negotiated their office space lease in Manhattan. The term of the lease was extended through August 31, 2023.

Minimum future rental payments under this lease are as follows:

Year ending June 30,	
2023	\$ 314,670
2024	<u>52,686</u>
	<u>\$ 367,356</u>

Rent included in occupancy expense for years ended June 30, 2022 and 2021 was \$232,708 and \$234,773, respectively.

NOTE 14 - BAD DEBT

At June 30, 2022 and 2021, there was \$306 and \$0 bad debt expense, respectively.

NOTE 15 - EMPLOYEE BENEFIT PLANS

All eligible employees of the Organization are members of the Cultural Institutions Retirement System's (CIRS) Pension, Savings Plan and Group Life and Welfare Benefits plans. The CIRS Pension Plan is a multiemployer defined benefit plan. Pension and Group Life and Welfare Benefit contributions are funded by the City of New York in accordance with their contract with the Organization. The employer match to the Savings Plan, in accordance with the Collective Bargaining Agreement, remains suspended.

The risk of participating in these multiemployer plans is different from single-employer plans in the following aspects:

NOTE 15 - EMPLOYEE BENEFIT PLANS (CONTINUED)

- a) Assets contributed to the multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- b) If a participating employer stops contributing to the plan, the unfunded obligations of the plan may be borne by the remaining participating employers.
- c) If the Organization chooses to stop participating in some of its multiemployer plans, the Organization may be required to pay those plans an amount based on the underfunded status of the plan, referred to as a withdrawal liability.

The Organization’s participation in this plan for the fiscal year ended June 30, 2022 and 2021 is outlined in the table below. The “EIN/Pension Plan number” column provides the Employer Identification Number (EIN) and the three-digit plan number, if applicable. The zone status is based on information that the Company received from the plan and is certified by the plan’s actuary. Among other factors, plans in the red zone are generally less than 65 percent funded, plans in the yellow zone are less than 80 percent funded. A plan is in the green zone if it has a current funded percentage greater than 80 percent. Unless otherwise noted, the most recent PPA zone status available in 2022 and 2021 is for the plan’s year-end at June 30, 2021 and 2020, respectively. The “FIP/RP Status Pending/Implemented” column indicates plans for which a financial improvement plan (FIP) or a rehabilitation plan (RP) is either pending or has been implemented. The last column lists the expiration dates(s) of the collective bargaining agreements(s) to which the plans are subject. The period-to-period comparability fluctuates based upon the Organization’s growth. The Company was not identified in its plan’s 2021 Forms 5500 as providing more than 5% of total plan contributions.

The Organization currently has no intention of withdrawing from the multiemployer pension plan in which is participates.

NOTE 18 - RELATED PARTIES

During the years ended June 30, 2022 and 2021, various members of the board of directors pledged donations totaling approximately \$54,800 and \$54,900, respectively.

On July 21, 2019, a lease agreement between ACC and 1906 Flushing was executed for what will be the new Queens Full Service Shelter. The construction completion date is anticipated to be in March 2023. The lease is due to expire no earlier than July 1, 2052. Under the lease agreement, the lease payments are tied directly to the monthly loan amortization payments of \$376,901 a month (See Note 8 – Property Loans). Any differences from the lease agreement payments and the lease's fair market value will be adjusted accordingly. Lease payments will be paid directly by the City, in accordance with their agreement with ACC (See Note 12 – New York City Funding). For the years ended June 30, 2022 and 2021, ACC held an investment of approximately \$805,000 in 1906 Flushing and had a receivable due from 1906 Flushing of approximately \$26,000 and \$8,000, respectively. In addition, for the years ended June 30, 2022 and 2021, ACC was reimbursed approximately \$192,000 and \$141,000 from 1906 Flushing for work performed in conjunction with the New Queens Service Shelter, respectively. Upon consolidation, these balances were eliminated.
