CAT ADOPTION QUESTIONNAIRE

Animal Care & Control
of New York City

It is our policy to make certain that each person who adopts a cat is aware of the responsibilities of pet ownership, and is capable of and willing to accept those responsibilities morally, physically, and financially. Not every person who desires to adopt a cat should do so.

By completing this questionnaire, you will aid us in determining if you and your family are indeed ready to become responsible pet owners. Should you agree that adopting a pet is a commitment throughout the lifetime of your companion animal, please fill out this questionnaire and give it to an adoption counselor for further discussion on the adoption process.
