Foster Care

Objective

Foster care volunteers provide homes, care and a nurturing environment for our animals. Often times, these animals need time to grow, heal and learn to socialize in a safe and caring environment.

Supervisor

Foster Manager

Duties and Responsibilities

- Provide a warm, clean, safe environment
- Administer any veterinarian prescribed medications for animal(s)
- Monitor the animal's health and safety – identify any issues and alert supervisor(s)
- Provide proper food, water, equipment, exercise and shelter for the animal(s)
- Provide socialization and training for the animal(s)
- Clean and disinfect toys and bedding
- Transport all foster animals to/from ACC for required vaccinations, exams and spay/neuter surgeries upon request from supervisor – if it is possible to arrange for transport assistance, be available for pick up and drop off
- Update supervisor(s) on a consistent basis and respond to emails and/or calls within 24hrs
- Return all foster animals to ACC as requested
- Abide by all ACC volunteer and foster policies and procedures

Requirements

- Provide written proof of spay/neuter for all owned pets
- Review and sign all required applications, contracts and/or waivers
