Behavior Enrichment Program
• Dog playgroups
Department Highlight
Behavior Enrichment Department

“Dogs Playing for Life” Program

- Began in September with grant from Best Friends
- 9 days of intense hands-on training with staff/volunteers

Immediate Benefits

- Increased exercise/social time for all dogs
- Maximize staff time (cleaning and behavior)
- Improved kennel presentation (calmer/less barking)
- Improved quality of life lessens stress (less illness)
- Better match making (more detailed evaluations for adopters/New Hope Partners)
- Enjoyable and uplifting for staff/volunteers
Organization Changes

- Increased focus on behavior and training
  - 24 full-time staff (Behavior & Enrichment, SAFER teams, Playgroup specific teams)
- Evaluations include daily playgroup interactions so progress can be noted
- Behavior no longer based on single-interaction (SAFER)
Individual Animal Changes

- On an average day 50-60 dogs participate in playgroups
- Animals improving and coming out of their shells with the help of other dogs in playgroups
Asilomar Accords

Their mission: To work together to save the lives of all healthy and treatable companion animals

Community uses standard definitions of:

- Healthy
- Treatable (Rehabilitatable)
- Treatable (Manageable)
- Unhealthy & Untreatable

Live Release Rate

- A Measurement Tool
- Track progress of individual shelters and communities
